How to Become a Remote Online Notary in Missouri

If you are not a MO notary, instructions on how to first become one are **available here**

1. Complete a training course or study the MO Notary Manual and take the exam at: click here to download PDF
2. Complete the remote online notary application at the MO SOS website HERE:

Once the exam and application are complete email to: commissions@sos.mo.gov.
To utilize our RON platform, you must obtain the following 2 items:

Digital stamp; https://www.nationalnotary.org/missouri/supplies/electronic-notary-products

Digital image of your notarial signature: You can capture your own eSignature:

1. Write your signature on white paper
2. Take cell phone picture eliminating the white space beyond your signature
3. eMail that image to yourself
4. Upload that image when requested during the Secured Signing registration process
